

## **Policy on Certifications**

### **Objective**

This policy defines the criteria and principles that Colbert Packaging Corporation follows for the certification of our facilities to chain of custody standards.

### **Scope**

The policy applies to: Colbert Packaging Corporation – Lake Forest  
Colbert Packaging Corporation – Elkhart  
Colbert Flexographic Packaging – Lake Forest

### **Policy**

Colbert Packaging uses third-party certification for recognized chain of custody forest certification standards in three of our operations.

Colbert Packaging recognizes the following certification standards for use in our business operations:

- Forest Stewardship Council (FSC) a globally recognized system that uses regionally developed forest management standards including chain of custody.
- Sustainable Forestry Initiative<sup>®</sup> (SFI<sup>®</sup>) is a North American standard which includes provisions for forest management, fiber procurement and chain of custody.
